

KAISER PERMANENTE

Locations

It's easy to find the care you need, when you need it. On average, our California members have a Kaiser Permanente location within 8 miles of home. And since most of our facilities offer many services under one roof, you can take care of a variety of health care needs with every visit.

Convenient access

Many of our facilities offer same-day, after-hours, and weekend services, along with ob-gyn, pediatrics, and other specialty departments.

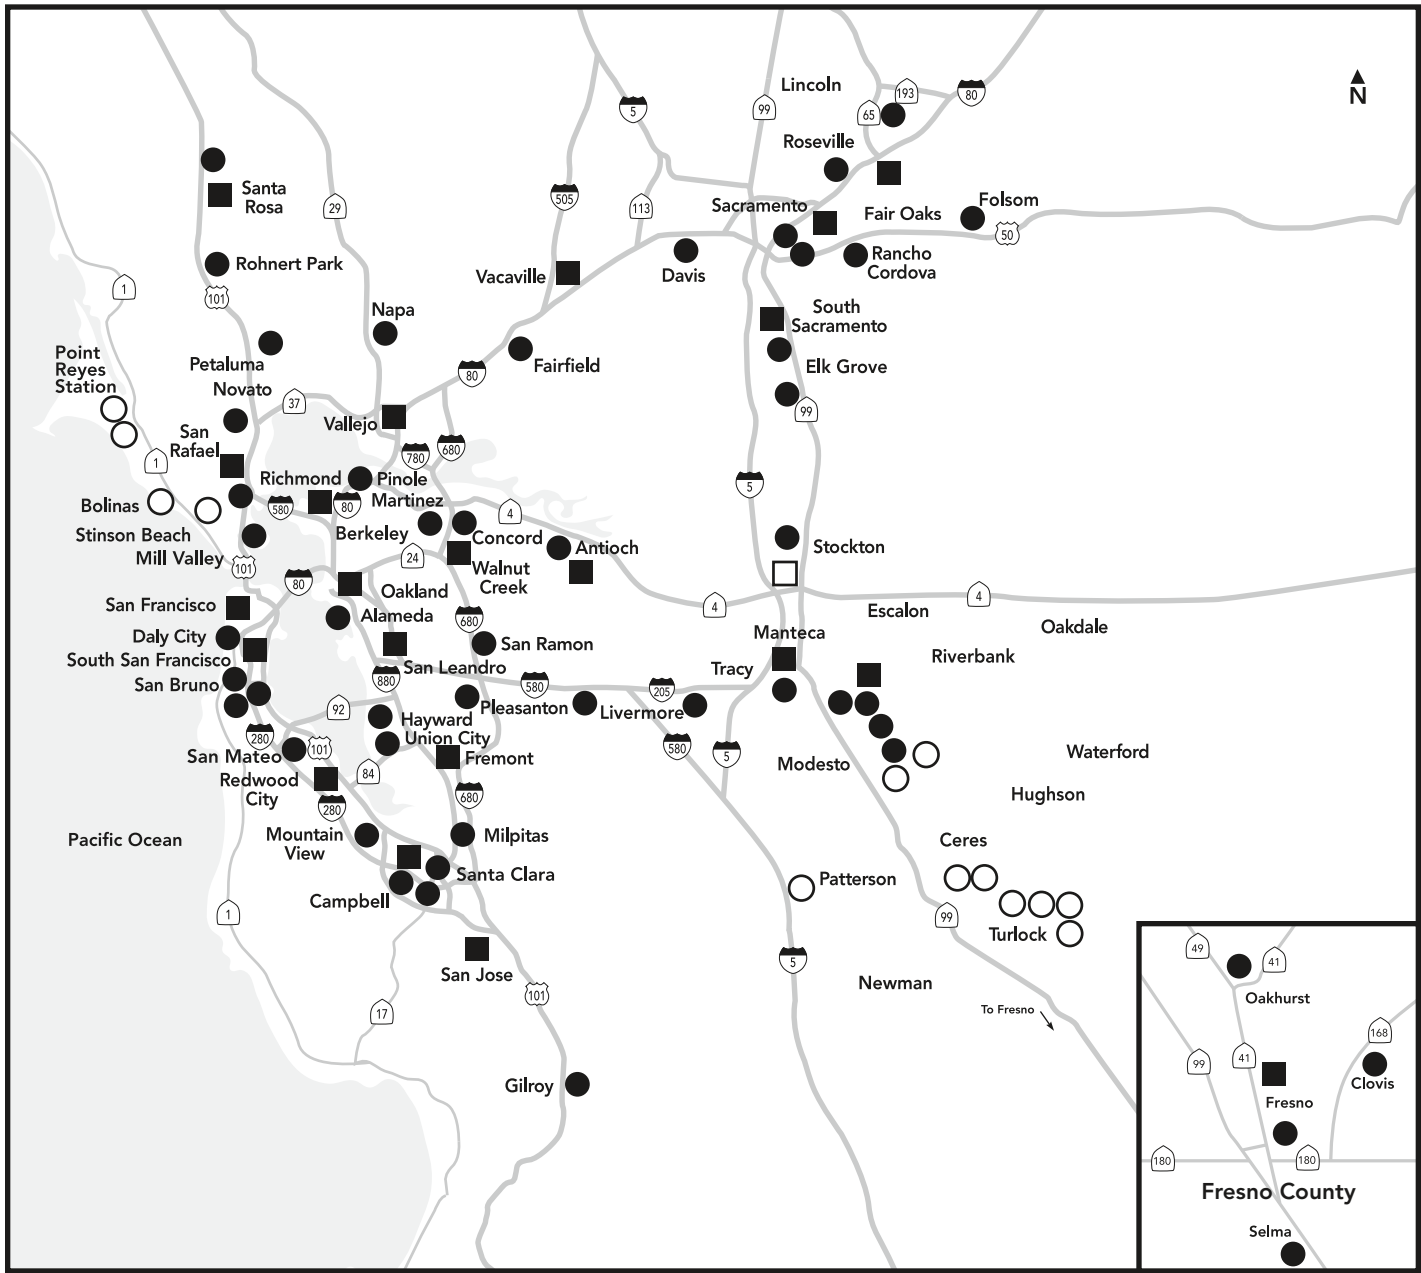

When you're away from home

When you join Kaiser Permanente in California, you're enrolled in either our Northern or Southern California Region. If you visit any other Kaiser Permanente region outside of where you live, you can receive care as a visiting member.

Find a location near you

Search by ZIP code or keyword at kp.org/kpfacilities, or download our free Kaiser Permanente app for your smartphone or mobile device and use the location finder.
